

## **BY REMEMBERING THE HOSPITAL IN YOUR WILL**

Making a will is the only way you can be sure that your wishes will be carried out if anything happens to you.

In spite of this most people still fail to make a will.

It is a very important document and the Trust recommends that you consult a solicitor to ensure that your estate is passed on to those you wish to benefit from it.

Below are suggested wordings if you wish to remember the hospital in your will.

To leave a specified amount

I give to Salford Royal NHS Foundation Trust Charitable Funds the sum of £..... To be applied for its general purposes (or name of a ward/department)

To leave the residue of your estate

I give the residue of my estate not otherwise disposed of to be held in trust

- 1) to pay off all my debts, funeral expenses, testamentary expenses and inheritance tax.
- 2) to hold the remainder on trust for Salford Royal NHS Trust Charitable Foundation Funds for its general purposes (or name of a ward/department)
